are pregnant. The test kit gives accurate answers when you use them around a week after you missed the period. How Accurate Are Online Pregnancy Tests? The questions included in the online pregnancy test are those that a gynecologist usually asks during the first prenatal appointment.

Free Online Pregnancy Test - Am I Pregnant? Quiz

Supposedly, a positive pregnancy test will look “milky” or “cheesy,” almost as if the salt curdled in the urine. But for some people, the urine will slightly foam at the top — and there seems to be no consensus about whether this indicates a positive result or a negative one. What does a negative pregnancy test with salt look like?

Pregnancy Test With Salt - What to Expect
