Community Organizing Guide

1. Community Development Methods and Strategy Introduction. In the material on the subject, the nature of community development will be found described as a program, a method, a movement, a philosophy, as well as process. We hold the view that the key word in an analysis is process, by which we mean a change in an attitude of mind, whether personal or collective, that results in a change of behavior and the pursuit of a course of action hitherto rejected or not understood.
