Manuscripts submitted to Applied Pragmatics will undergo double-blind peer review and will be evaluated based on their originality, methodological rigor, significance of findings, and quality of presentation. Manuscripts submitted for consideration to the journal should not be previously published or being considered for publication elsewhere.

Applied Pragmatics

Objective Intercultural Pragmatics is a fully peer-reviewed forum for theoretical and applied pragmatics research. The goal of the journal is to promote the development and understanding of pragmatic theory and intercultural competence by publishing research that focuses on general theoretical issues, more than one language and culture, or varieties of one language.

Intercultural Pragmatics | De Gruyter

The objective is to develop pragmatics with the aid of quantitative corpus methodology. The journal promotes the combination of the two approaches through research on new topics in linguistics, with a particular focus on interdisciplinary studies, and the aim of enlarging and implementing current pragmatic theories that have hitherto not benefited from empirical corpus support.
