Nation Maker Sir John A

A very easy and enjoyable read. Gwyn's "Nation Maker" looks at Sir John A. Macdonald's post-Confederation career. Just as Canadian Confederation was not a guarantee, neither was the young country's success as an independent state on the North American continent.

...

"Charming, difficult, far-sighted, devious, Sir John A. Macdonald was a master politician who spoke to Canadians in a way that few others have ever done. Writing with his usual elegance and insight, Richard Gwyn has done full justice to the man whose own story is inextricably interwoven with that of Canada."

...

John A. Macdonald, Canada's first and most important prime minister, is the man who made Confederation happen, who built this country over the next quarter century, and who shaped what it is today. From Confederation Day in 1867, where this volume picks up, Macdonald finessed a reluctant union of four provinces in central and eastern Canada into a strong nation, despite indifference from Britain and annexationist sentiment in the United States.
