The cost of starting a salon starts at around \$62'000 for a good but basic setup in your own physical location. Nail salon start-up costs are typically lower than for hair salons or barbershops. The cost can be significantly higher (\$500'000+) but there are also ways you can start your salon business on a much smaller budget (\$2'000).

Here are five reasons to move to a salon suite: 1. Freedom: Freedom to be your own boss, which allows the salon professional to be in control. Freedom from salon drama, and freedom from mandatory salon meetings. The salon professional is the boss and works the way she or he wants to work, and not how a salon
