The Auditor An Instructional Novella

This is a nice resource for audit students or new auditors. I doubt it would be entertaining for most others. The book was written as an "instructional novella" for students and it offers some good information on public accounting audit careers. The story follows the career of a fictional auditor in a large, fictional firm in Oakland, California.

outset of the course, it became quite clear after the first few class discussions that auditor judgment, professional skepticism, and ethics play a significant role within the profession.

The Auditor: An Instructional Novella by James K. Loebbecke

The novella—which forms a single, on-going, fictional case study meant to supplement a text—traces the professional life of Jack Butler, graduate of Farwestern University and current CPA. As readers progress, they share with Jack, his clients, and colleagues various aspects of a typical career in public accounting—aspects students will most likely encounter during their own careers.
