...

The Midwich Cuckoos is one of those books that crosses the line between speculative fiction and horror, but it's more to do with a sense of the uncanny, a sense of deep unease, where the things we take for granted are just ever so subtly different, than with big horrifying things happening.

The Midwich Cuckoos by John Wyndham - Goodreads

Whatever dwells in Midwich is sowing the seeds for a master race of ruthless and inhumane creatures who are bent on nothing less than absolute and total domination. The London Evening Standard called The Midwich Cuckoos "humane and

The Midwich Cuckoos: "Village of the Damned" Novel Set for ...

The fictional world of John Wyndham's novel *The Midwich Cuckoos*, published in 1957, is a very long way from that of *Lord of the Flies*. But, like Golding, Wyndham is primarily concerned with fundamental questions about the future of the human race – questions for which the figure of the child provides a useful and challenging focus.

Online Library The Midwich Cuckoos

The Midwich Cuckoos was published in 1957, and it was later filmed twice as Village of the Damned. It was the fourth of seven novels published in his lifetime when readers would enjoy a Wyndham novel every two years, on average. Film and TV adaptations followed, most notably: The Day of the Triffids, and Chocky.

Epeolatry Book Review: The Midwich Cuckoos - The Horror Tree

The title of The Midwich Cuckoos refers to the habit of some species of the eponymous bird of laying their eggs in the nests of other birds. Individual females lay eggs that look like those of a different species of bird, but different females have different coloured eggs, and so different hosts.
